

# BRAIN CANCER

**KILLS MORE CHILDREN THAN ANY OTHER DISEASE**

Yet 90% of Australians are unaware of the fact.

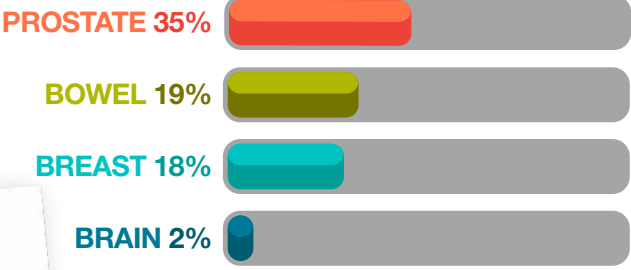

Brain Cancer is deadly, survival rates are low

**90%**  
of children survive  
**LEUKEMIA**

**90%**  
of people survive  
**BREAST CANCER**

**20%**  
of people survive  
**BRAIN CANCER**

Brain Cancer survival rates have barely increased in the last 30 years

**BRAIN CANCER KILLS MORE PEOPLE UNDER 40 IN AUSTRALIA THAN ANY OTHER CANCER**

Brain cancer costs more per patient than any other

Yet it receives less than 5% of NHMRC/ government cancer research funding
