

BEATING BRAIN CANCER IS WITHIN OUR POWER

WEAR A BEANIE MAKE A DONATION

You are invited to help us tackle brain cancer!

If you are looking for educational and fun ways for teachers, students and parents to support those impacted by brain cancer, you have come to the right place!

The money raised from these beanies not only helps brain cancer patients as they deal with this insidious disease, it also helps researchers searching for better treatments and a cure for brain cancer. You may be surprised to learn that, in Australia, brain cancer kills more children than any other disease and more people under 40 than any other cancer, yet it is one of the most underfunded and under researched cancers of all time. Your participation in Beanie for Brain Cancer Day will enable us to, not only increase awareness of this terrible disease, but also raise much-needed funds for brain cancer research. Your school community can help us by participating in our annual Beanie for Brain Cancer campaign. It is easy, fun and a great opportunity for students to experience firsthand how a small effort by many can make a big difference!

How to host a Beanie for Brain Cancer Day at your school.

1. Choose a date to hold your Beanie for Brain Cancer Day (it can be anytime but ideally in Beanie Month (June)!
2. Register your school online here at www.mhfbeanieforbraincancer.com.au/cms/register-your-fundraiser
3. You'll receive an Authority to Fundraise email, your online fundraising link to share and we will post you a fundraising pack which will include a poster, money box and bunting to decorate your event.
4. Spread the word to students and parents inviting them to wear a beanie and donate to the Foundation. Let them know you take cash or they can donate to your online page.
5. Put more FUN into FUNdraising with Brain Teasers, games of Celebrity Head, guess the Jelly Beanies or a cupcake stall!
6. After the event - announce the total amount raised by your school and give yourselves a big pat on the back! Then send the money raised to MHF by following the instructions we emailed to you, being sure to quote your Authorised Fundraiser Reference Number. You can make your payment electronically via our website, direct deposit EFT, or drop into the Commonwealth Bank with our account details.

Your help in raising funds for brain cancer research would be greatly appreciated and we think your school community will find it a fun, easy and extremely rewarding experience. We guarantee your hard work will not be wasted and every dollar will go to finding better treatments and ultimately one day finding a cure for brain cancer.

If you have any questions, please contact us by email on beanie@markhughesfoundation.com.au

Thank you for your support
