Subject: Join Us for Our Beanies for Brain Cancer Day at [School Name]!

Dear parents and guardians,

We're excited to announce that [Student's Name] has helped get our school on board with the Mark Hughes Foundation's Beanies for Brain Cancer campaign!

On [Date], we'll be holding our very own Beanie Day. All your child needs to do is wear a beanie to school and bring a gold coin donation. If you'd like to purchase an official Mark Hughes Foundation beanie, you can do so here, but any beanie is absolutely fine!

By participating, you'll be helping to support the Foundation's incredible mission. They raise funds for brain cancer research and provide vital support for patients and families.

Together, we can make a real difference. Thank you for your support!

Warm regards,
